MRS. HUGH M. QUIGLEY
BELLEFONTE, PENNSYLVANIA

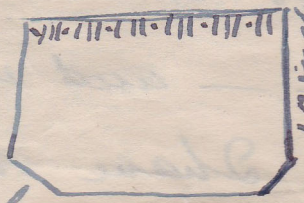
I've been counting on giving that to the children but I don't know what to do till I hear from you — and it's getting late. Also I have received no stickers. My packages are waiting!

Of course you could knit the booties, — Lucky pup! I can't seem to think tonight — by the way Stubby has a little girl. Well, you could knit the pants — they are very easy. I have a pair

here to count the stitches but I think maybe it would be better by inches as knitting varies so—

Put on the same number as for sweater



purl two for knit two and then make about ½ inch holes every fourth ribe by throwing thread over and knitting two together. The next round the holes appear by knitting the thread that was thrown over. Then rib about an inch more then plain knitting for ten inches, including the ribbing. Then at each

end of the needle narrow one every other time. I do it about 3 stitches from the end - it makes a nicer seam. I narrowed from 72 st. at waist (that's one half) to 54 at leg - so I guess if you narrow about 18 stitches that will be right - that is 2 stitches a row nine times you see. Then you make a duplicate and sew the two together with seams up front & back. See?

We laughed at your dis-

cription of Dad and the oil stove
& water battle! But I bet it felt
good didn't it, Daddy?

The proofs of the children's
pictures were not remarkable
but we picked out one good
enough, I think. My Xmas cards
have come & they are splendid.
The scissors arrived from Jacobs
& they are also fine. The tool
chest for Hugo was finished
& I didn't like it as he's making
another! It was too big & bulky.

GLOVES

(For Service Men)

Equipment Needed:

Yarn—4-oz. 4/8 sweater yarn, dark navy blue or olive drab.
Needles—Four double-pointed needles to fit Red Cross needle gauge for socks. Gauges available from area offices.

Scale:

Six stitches to the inch, 8 rows to the inch. Make a sample to find out how many stitches are required for you to knit an inch. If your scale is not that given here, try a smaller or larger needle until you obtain this scale. If you have to use a different sized needle from that called for above, it will not in any way alter the garment provided you knit 6 stitches to the inch and 8 rows to the inch.

Measurements: 5″ across hand. 10½″ from bottom to tip of third finger.

INSTRUCTIONS FOR MAKING

RIGHT HAND GLOVE: Cast on 56 stitches, 20 on each of two needles and 16 on the third. Knit 2, purl 2 for 3 inches, increasing one stitch on first and last stitches of third needle in the last round. Proceed as follows:

1st round: P 1, K 5, P 1, knit plain to the end of the round. Repeat this round twice. (The purled stitches mark gusset for thumb.)

4th round: P 1, increase once in the next stitch, K 3, increase once in the next stitch, P 1, knit plain to end of round.

5th round: P 1, K 7, P 1, knit plain to end of the round. Repeat this round 4 times.

10th round: Increase 2 sts. between the 2 purled sts. in this and every 6th round following until there are 13 sts. between the purled stitches. Work 6 rounds without increasing, casting on 3 sts. at the end of the last round.

In the next round slip the first 15 sts. on to a thread or stitch holder, for the thumb, continue the round in plain knitting. Work 13 rounds without shaping.

NOTE: In casting on stitches at the base of the fingers in the following directions, be sure to pull your thread tightly to avoid forming holes. Any holes which do appear should be darned.

1st FINGER: Knit the first 5 sts., slip all but the last 11 sts. on to a thread or stitch holder, cast on 2 sts. and knit the last 11 sts. Divide these 18 sts. evenly on three needles. Work 26 rounds in plain knitting.

27th round: K 2 tog. 9 times. Break off wool. Run the end through the remaining stitches, draw up tightly and darn in securely on wrong side.

2nd FINGER: Knit the next 7 sts. of the round, cast on 2 sts., knit the last 7 sts. of the round, and knit up the 3 sts. at the base of 1st finger. Divide these 19 sts. evenly on three needles. Work 30 rounds in plain knitting.

31st round: K 2 tog. 9 times, K 1. Finish off as given for 1st finger.

3rd FINGER: Knit the next 7 sts. of the round, cast on 2 sts., knit the last 7 sts. of the round and knit up 2 sts. at the base of the 2nd finger. Divide these 18 sts. evenly on three needles. Continue and finish off as given for 1st finger.

4th FINGER: Knit the remaining stitches and knit up 4 sts. at the base of the 3rd finger. Divide these 14 sts. evenly on to three needles. Work 19 rounds in plain knitting.

20th round: K 2 tog. 7 times. Finish off as given for the 1st finger.

THE THUMB: Knit the 15 sts. which were left for the thumb and knit up 4 sts. from the opening. Divide these sts. on three needles. Work 21 rounds in plain knitting.

22nd round: K 2 tog. 9 times, K 1. Finish off as given for 1st finger.

Weave in on the wrong side a portion of the thread left hanging at the base of each finger and thumb. Also weave in thread left hanging when stitches were cast on to start the glove.

LEFT HAND GLOVE: Work as given for right hand glove until fingers are reached.

1st FINGER: Knit the first 11 sts., slip all but the last 5 on to a thread, cast on 2 sts. and knit the last 5 sts.
Work the remainder of the glove as given for the right hand glove, but commencing at the back to knit up stitches for the fingers.

Press carefully with a damp cloth and hot iron.

Chapter label should be sewed inside one of the gloves at wrist.

Fasten gloves together to form a pair.

Do not start another pair of gloves with left-over yarn.

Please return all unused yarn to chapter.

MAN'S SOCK

(Medium Size)

Equipment Needed: Yarn 4/14 (medium weight), 4 ozs. of suitable color for socks.

Needles: Four needles to fit the Red Cross Needle Gauge for socks. Gauges available from Headquarters.

Scale: 7 stitches to the inch, 9 rows to the inch. Make a sample to find out how many stitches are required for you to knit an inch. If your scale is not that given here, adjust the number of stitches cast on to fit your own scale. The sample of your knitting is also necessary because the yarn may vary slightly, making adjustments necessary in the number of stitches cast on.

When knitting the second sock of a pair, always count the rows of the first sock to insure uniform size when finished. These knitting directions are given as a guide. Other simple sock directions may be used so long as the garment is the proper size and of correct proportions.

INSTRUCTIONS FOR MAKING

The sock when finished should measure: Foot, 11½ inches; leg, 14 inches.

On 3 needles cast on 56 sts., having 20 on each of 2 needles and 16 on the third needle. Join, being careful not to twist sts.

Work ribbing of K 2, P 2 for three inches.

Work in plain knitting for the next 8 inches.

Heel: Divide sts. as follows: 28 on 1st needle (for heel) and 14 sts. each on 2nd and 3rd needles. On heel needle always slip first stitch. * K 1 row, turn; P 1 row, turn. Repeat from * until there are 27 rows (3 inches).

To Turn Heel: Begin to turn heel on wrong side.

Slip 1, P 16, P 2 together, P 1, turn.
Slip 1, K 5, slip 1, K 1, pass slipped st. over k st., K 1, turn.
Slip 1, P 6, P 2 together, P 1, turn.
Slip 1, K 7, Slip 1, K 1, pass slipped st. over k st., K 1, turn.
Slip 1, P 8, P 2 together, P 1, turn.
Slip 1, K 9, Slip 1, K 1, pass slipped st. over k st., K 1, turn.
Continue in this fashion (P 10, K 11, P 12, K 13, P 14, etc.) until there are 16 stitches on needle.

Gusset: (With right side of garment on the outside and working to the left).

Knit up 13 stitches on side of heel. (This gives 29 sts. on 1st needle.)

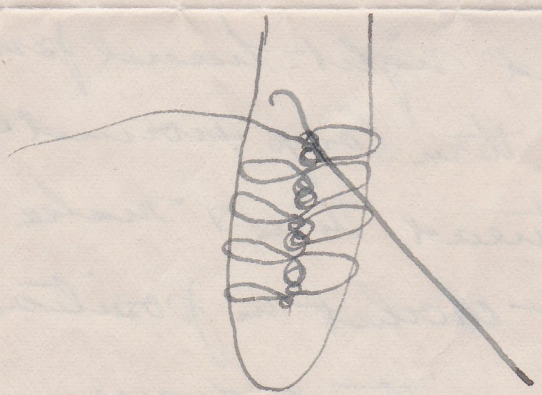
With crochet hook make a loose ch. st. Remove hook & insert "hair-pin" or staple - the left-hand prong. Draw out loop until knot is ½ way between prongs. Then bring thread front & around right-hand prong. Insert hook thru loop around left prong, draw thread thru & make a ch. st.* To get crochet in position for next step, without drawing out loop on hook, turn the handle of hook upwards & pass between prongs


to back of staple. Now turn staple over once to the left (which makes a loop over right prong). ~~Insert~~ Simple crochet once and then insert hook thru front thread of loop at left & double crochet. Repeat from *.
